Saturday March 23, 2024 Show time 9AM at the Club House

This clinic will teach you what you need to know to get started or get re-acquainted with the great sport of bullseye pistol shooting. The Clinic includes classroom instruction and several hours of range time with experienced shooters helping you to develop and refine your technique. You will come away from this clinic with the training you need to participate in bullseye matches. These skills will assist your competing in Action Shooting!

The clinic is designed for shooters with pistol experience but with little or no experience in bullseye competition, and current bullseye shooters.

Clinic conducted with .22LR pistols, loaner pistols will be available. 22LR ammunition will be provided.
